(ii) if there is consensus among all subject teachers during

the promotion/progression meeting that the learner should be retained in the current grade, then a meeting must be held with the parent/guardian so that the advice is carefully and clearly explained by the school and understood by the parent/guardian before the learner's school report is handed to them;

(iii) the decision reached at the meeting contemplated in *sub-regulation (ii)* must be reflected on the learner's report card. If the learner is retained, this must be confirmed in writing by the parent; and

(e) Progression in Grades 10-12 does not guarantee the final certification of a learner in Grade 12 and such a learner must comply with the certification requirements as contemplated in *paragraph 37(1)(a)* of the policy document, *National policy pertaining to the programme and promotion requirements of the National Curriculum Statement Grades R– 12* to enable him or her to obtain a National Senior Certificate. In the National Senior Certificate examination the final promotion mark in Life Orientation will be based on internal assessment which must be externally moderated, as well as a Common Assessment task which is externally set and moderated. Monitoring and moderation mechanisms will be determined by the assessment body and Umalusi.

(6) Subject to *Regulation 6(4)(a)(iv)*, the Physical Education Task (PET) in Life Orientation, constitutes the fifth task and is administered across all four school terms, with the exception of Grade 12, which will be three school terms.
